Summary

Graduated Software Engineering student with backend experience at FPT Software. Skilled in NodeJS (Express/NestJS), Java, RESTful APIs, OOP, Database, and Git.

Technical Skills

- **Programming Language:** HTML & CSS, Java, JavaScript, TypeScript, Python.
- **Backend:** NestJS, NodeJS, SpringBoot, FastAPI.
- **Frontend:** ReactJS, NextJS.
- **Database:** SQL (SQL Server, MySQL, PostgreSQL), NoSQL (MongoDB)
- **Version Control:** Git, GitHub.

Other skills: Docker (Basic), DevOps (Basic), RESTful API, AI Agent, RAG, OOP, CI/CD (Github Action-Basic)

Work Experience

FPT Software | Backend Intern

- Maintain a FastAPI-based **RAG system** for an AI tool, focusing on chat flow, query processing, prompt improvement, chunking, and embedding logic.
- Redesigned the system into an intent-based **AI Agent** architecture to improve input processing efficiency and response handling for different query types
- Contributed to backend tasks across FastAPI, .NET, and Java

Education

FPT University | 09/2022 - Present - Graduated

Major: Software Engineering - **GPA: 8.42/10**

Language: English | Intermediate

Projects

Artchain | SE Capstone Project | Leader

- Main backend developer in a 5-member team, focusing on backend architecture, blockchain integration, database design, and deployment.
- Implemented core backend modules for the Artchain platform
- Built **blockchain** features using Ethereum testnet, Solidity smart contracts, and IPFS.
- Configured Nginx for reverse proxy, domain mapping, SSL, and WebSocket support.
 - **Role:** Backend (5 members)
 - **Tech Stack:** NestJS, NextJS, PostgreSQL, Blockchain, WebSocket
 - **Platform:** Deploy on artchain.io.vn

Award & Recognition

- Excellent student of the semester - **GPA: 9.2** SPRING2024
- Honorable student of the semester - GPA > 8.0 FALL2023, SPRING2024, SUMMER2024, SUMMER2025
- English speaking competition - 3rd prize

Reference

- Top 10 students in WDP301 class instructed by SangNM Lecturer (available for reference upon request)
- 0934041469 - sangnm18@fe.edu.vn

Certificate

- Web Design for Everybody: Basics of Web Development & Coding (Coursera)
- Software Development Lifecycle (Coursera)
- Object Oriented Programming in Java (Coursera)

Activities

English Tutor for English Speaking Club (ELF FPT) | 12/2022 - 08/2024

Teaching English online to students in remote areas at
ELF Speaking Club (English Language at FPT University)
